

Star Trek: The Original Series

Read Classic Fanzines Free

Kraith

Created by **Jacqueline Lichtenberg** and 50 other contributors, this series of alternate universe *Star Trek* stories became legendary as the basis for research for *Star Trek Lives!*, the Bantam Paperback about why people loved *Star Trek* so much they couldn't let it die.

Quartet Plus Two

ST:ToS stories by **Claire Gabriel**, a professional fiction writer who became fascinated with the relationships among the Enterprise crew – especially Amanda & Sarek, Spock's birth and meeting with Kirk. She later wrote extensively about *ST: Voyager*

Star Trek Showcase

A *Star Trek* Inspirational Romance by **Sharon Emily, Jean Lorrh**, and many fanfic writers published before there were any Science Fiction/Futuristic Romances -- or supernatural Romance -- or vampire Romance, and even before the category of Inspirational Romance was recognized in the Romance field.
