Jacqueline Lichtenberg

Dreamspy

COVER

Reviews

You take Asimov's "Foundation" trilogy and you mix in a pinch of "Star Trek" (the old and new generations). Then you add a dose of "The Force" from "Star Wars" and inject several elements of Danielle Steele, and what do you get? . . . *Dreamspy*. Press-Enterprise Riverside, CA
Splendid convolutions set forth with crackling intensity.

Kirkus Reviews

. . . action-packed and romantic novel . . . breathless pace, sense of humor, and fine extraterrestrial characterizations should continue to draw fans (including those of her earlier

Sime-Gen series). **Booklist**

Lichtenberg . . . builds intricate and interesting multi-species societies, particularly that of the luren, **Publisher's Weekly**

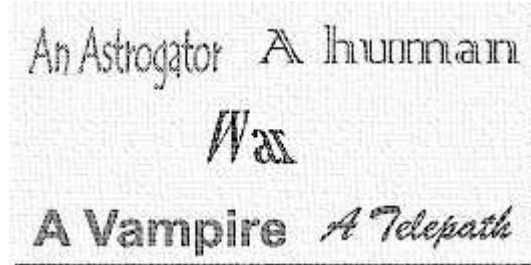

The best of all worlds in science fiction is when an author cleverly builds his own viable universe . . . Such is the case with these four novels, . . . from talented storytellers of diverse styles.

. . . The best and most passionate storyteller of this group is Jacqueline Lichtenberg, . . . **Chicago Tribune**

. . . space opera for romance readers . . . **Cleveland, OH Plain Dealer**

. . . *Dreamspy* is a genuinely exciting sf romance/adventure novel with winning characters and intriguing situations. . . owes something to *Star Trek*, . . . Overall, a very good read.

Locus

Telepathic Espionage, Vampires who compel human behavior, a split galaxy fighting a genetics war, astrogation science that is secretly half-magic, and a human from Earth caught in the middle.

Can a human male admit love for a woman who could enslave his soul -- even if the fate of Earth depends on it?

Sales Points

- Companion volume, *Those of My Blood* still available
- Author's established reputation in vampire/romance/action genre mix a la *Buffy The Vampire Slayer*
