When Sime killed Gen, it was the normal way of things--after all, Gens weren't really people, were they? They existed only to provide Simes with life-giving Selyn. And then Risa Tigue, a Sime, injured and needing Selyn, stumbles on the trail of a gen named Sergi ambrov Keon. Sergi is a Companion, a Gen who can control the transfer of Selyn without harming either Sime or Gen.

In Risa, Sergi sees the potential for that rarest of beings, a Channel. But can Risa survive the transformation--and even if she can, can Simes and Gens learn to live together peacefully? This is the legendary romance of Risa and Sergi.

Jean Lorrhah is a professional writer, the author of fifteen published science fiction and fantasy novels as well as a few short stories. Writing first fan fiction and later Sime~Gen,(Jacqueline Lichtenberg's universe.) Jean eventually went on to write her own Savage Empire series. (See information below). She has also written several Star Trek novels!
