The ancient and dangerous secret of the Sime Gen Mutation threatens to topple the ruling dynasty of the House of Zeor. How much torment can one teen girl take before the fate of the world doesn't matter to her anymore? How much psychic power can one young woman handle? What options can she create when she has no options left? And--can love truly conquer all?

**Jacqueline Lichtenberg**, author of House of Zeor, Unto Zeor Forever and many other books in the Sime~Gen Universe has released this via Wildside Press's Borgo Imprint, the 12<sup>th</sup> book in the saga of humanity divided against itself. This is the story of how the House of Zeor - that we were introduced to in the book of the same name - was founded.

**Mahogany Trinrose** (and the complete saga so far) can be bought in paperback, ebook and Audio editions.
