

Unto Zeor, Forever

by
Jean Lorrh

<http://astore.amazon.com/simegen-20>

In a time much like that of early twentieth-century Earth, Digen Farris, Head of the legendary House of Zeor and a Sime healer, goes into Gen Territory to become a doctor by Gen law. He falls in love with a Gen woman who is not at all what she seems. Ultimately, he must choose between his Sime heritage and his Gen love--a choice that will shape humanity's future destiny.

Publishers Weekly: "House of Zeor created a fervent cult. This second novel of the mutated Simes and their symbiotic-vampire relationship will be welcomed." Winner of the Galaxy Award.

Jacqueline Lichtenberg, author of *House of Zeor*, *Unto Zeor Forever* and many other books in the Sime~Gen Universe has released this via Wildside Press's Borgo Imprint, the 12th book in the saga of humanity divided against itself. This is the story of how the House of Zeor - that we were introduced to in the book of the same name - was founded.

Unto Zeor, Forever (and the complete saga so far) can be bought in paperback editions or in Ebook formats.
