New Works From Jean Lorrh

Sime~Gen:

The Story Untold, and other Sime~Gen Stories. Book Ten in the Sime~Gen saga. These three tales span the first 15 years of the legendary Tonyo Logan (Gen) and Zhag Paget (Sime). Their music is the soundtrack of the turbulent period after the signing of the Unity Treaty, which mandates that Simes and Gens learn how to get along--together! The only question is: will their world survive long enough for the pair to work their musical magic?

To Kiss or To Kill is book eleven in the Sime~Gen saga. Jonmair is a Gen, and Baird is Sime, and when Baird rescues Jonmair from the Last Kill, she suddenly has a life to live--and someone with whom to share it. But can Baird, one of the wealthiest men in Norlea, also be the life partner that Jonmair longs for? Can love indeed conquer all? Or will death finally triumph over love?
